

Rev. G. Timothy Gaines, V.F.

1995-2000

Sundays are quite busy for Gaines, who conducts four masses in the three parishes. Two are scheduled at St. Theresa, with one conducted in Spanish.

Though he is not fluent in Spanish, Gaines hopes to improve on this with the help of Garcia, who he says speaks "beautiful Spanish."

"Her strength is one of my weaknesses," he says. "That's what's great about the ministry. As a community we can share our talents. My weaknesses are someone else's talents."

Gaines, originally from Denver, recently served two rural parishes in northeast Colorado.
